

2022 CCEF CRITERIA RUBRIC FOR GRANT FUNDING

Criterion	5	3	1
1. Project Description	The summary of the project is clear, well planned and provides specific details.	The summary of the project is lacking some clarity and specific, necessary details.	The summary is unclear and lacks details.
2. Creative & Innovative	The project is impactful in a new, innovative, creative way. Few if any other schools, have done a similar project.	The project is impactful and has some creative ideas.	Project is a standard, pre-existing activity with few unique aspects.
3. Evaluation of Impact on our students/school. <i>How would you evaluate results</i>	Valid and reliable methods to measure impact: pre and post evaluations will be used to evaluate student learning and growth.	There are methods in place to measure the impact on student learning and project success such as surveys and anecdotal records.	The evaluation method is unclear, and the overall success of the project will be difficult to measure.
4. How will you evaluate the long-term benefit of this project to both students and school?	The project will contribute long term to student learning and growth beyond the school year.	Some hope for utilization in subsequent years but no supporting data.	The project has a single year impact.
5. Budget	The budget is concise and outlines in detail how the money will be spent	The budget provides information about what-will be-purchased, where and how much, but lacks details.	N/A
FOR CCEF PURPOSES ONLY			
6. School Financial Need for This Project	The school has demonstrated financial need.	The school may have financial needs.	The school has not demonstrated financial need.
7. Previous Reporting History	Story, photos, and testimonials have been completed and submitted for previous grants.	Past grant reporting shows partial reporting of story, photos and testimonials	The post-grant report with photos and testimonials has not been submitted for previous grants.
8. Previous Grants from CCEF	Five years or more.	Two to five years.	Last year.
9. Raffle Participation	Over 80% participation rate in raffle ticket sales.	Over 50% participation in raffle ticket sales.	Less than 49% participation in raffle ticket sales.
Overall Impression	Excellent project. Well-written proposal.	Good project. Moderately well-written proposal.	Weak project. Poorly written proposal.
