SHARE THE REASON FOR YOUR HOPE!

Celebrate Catholic Education Week October 19–25, 2024

Among the numerous blessings we receive from God's providential love, our Catholic schools stand out as a significant gift.

During Catholic Education Week, we focus especially on our schools as places where hope in Christ is both nurtured and shared. Let us, with joy, share with others, both in word and action, the happiness we have found in Jesus Christ, who is the all-sufficient reason for the hope that fills our lives.

Together, with our greater Catholic community, we provide our children an education with a purpose and strong moral values. Let us work together to enhance and continue the precious gift of publicly funded Catholic education in Alberta.

The Calgary Catholic Education Foundation supports the largest Catholic school district in the province, with 118 schools and over 63,000 students in the Calgary Catholic School District. Our mission is to enrich the educational experience of Catholic students in Calgary and surrounding area. We do so with your generous donations received on Catholic Education Sunday.

The Calgary Catholic Education Foundation was established to ensure that Calgary Catholic schools could continue to provide the best possible educational opportunities for our youth through equity in fundraising.

Since 2009, the CCEF has awarded over \$3.6 million in grants for enhanced learning opportunities. However, the need continues to grow. Your donation today ensures equitable funding in granting opportunities to all schools in the Calgary Catholic School District.

The CCEF funding priorities are:

- Social justice
- Leading-edge learning opportunities
- Stewardship and leadership development
- Safe and caring faith-based programs
- Playgrounds
- Campus Calgary/Open Minds®

We would like to express our deepest gratitude to our donors for their faith and support of the CCEF. Together, we are creating Calgary Catholic.
