The	Calgary	Catholic	Education	<b>Foundation</b>
			Financi	al Statements

August 31, 2022

To the Members of The Calgary Catholic Education Foundation:

Management is responsible for the preparation and presentation of the accompanying financial statements, including responsibility for significant accounting judgments and estimates in accordance with Canadian accounting standards for not-for-profit organizations and ensuring that all information in the annual report is consistent with the statements. This responsibility includes selecting appropriate accounting principles and methods, and making decisions affecting the measurement of transactions in which objective judgment is required.

In discharging its responsibilities for the integrity and fairness of the financial statements, management designs and maintains the necessary accounting systems and related internal controls to provide reasonable assurance that transactions are authorized, assets are safeguarded and financial records are properly maintained to provide reliable information for the preparation of financial statements.

The Board of Directors is composed primarily of Directors who are neither management nor employees of the Foundation. The Board is responsible for overseeing management in the performance of its financial reporting responsibilities, and for approving the financial information included in the annual report. The Board fulfils these responsibilities by reviewing the financial information prepared by management and discussing relevant matters with management and external auditors. The Board is also responsible for recommending the appointment of the Foundation's external auditors.

MNP LLP is appointed by the members to audit the financial statements and report directly to them; their report follows. The external auditors have full and free access to, and meet periodically and separately with, both the Board and management to discuss their audit findings.

January 12, 2023

Janet Lymer, Executive Director

Priya D'Souza, Treasurer

To the Members of The Calgary Catholic Education Foundation:

#### Opinion

We have audited the financial statements of The Calgary Catholic Education Foundation (the "Foundation"), which comprise the statement of financial position as at August 31, 2022, and the statements of operations, changes in net assets and cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Foundation as at August 31, 2022, and the results of its operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

#### **Basis for Opinion**

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Foundation in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Foundation's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Foundation or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Foundation's financial reporting process.

1.877.500.0792 T: 403.263.3385 F: 403.269.8450

#### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Foundation's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Foundation's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Foundation to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Cash resources, end of year	143,087	35,889

For the year ended August 31, 2022

#### 1. Incorporation and nature of the organization

The Calgary Catholic Education Foundation (the "Foundation") was incorporated under the Companies Act of Alberta on October 27, 2008. On February 14, 2014, the Foundation changed its name to Calgary Catholic Education Foundation. The Foundation is a resource dedicated to enhancing the educational experience of students in the Calgary Catholic School District.

The Foundation in a registered charity, and under Section 149 (1) (f) of the *Income Tax Act* (the "Act"), and is exempt from the payment of income tax. To maintain its status as a tax-exempt entity under the act, the Foundation must meet certain requirements within the Act. In the opinion of management, these requirements have been met.

#### 2. Significant accounting policies

The financial statements have been prepared in accordance with Canadian accounting standards for not-for-profit organizations set out in Part III of the CPA Canada Handbook - Accounting, as issued by the Accounting Standards Board in Canada, which are part of Canadian generally accepted accounting principles, and include the following significant accounting policies:

#### Cash and cash equivalents

Cash and cash equivalents include cash, term deposits and marketable securities with maturities of three months or less. Cash subject to restrictions that prevent its use for current purposes is included in restricted cash.

#### Intangible asset

Specified intangible assets are recognized and reported apart from goodwill.

Intangible assets subject to amortization are recorded at cost. Contributed intangible assets are recorded at fair value at the date of contribution if fair value can be reasonably determined.

Amortization is provided using the straight-line method over three to five years intended to amortize the cost of intangible assets over their estimated useful lives.

	Method	Years
Website	Straight-line	3
Software	Straight-line	5

When an intangible asset no longer contributes to the Foundation's ability to provide goods or services, or the value of future economic benefits or service potential associated with the intangible asset is less than its net carrying amount, its carrying amount is written down to fair value.

#### Revenue recognition

The Foundation follows the deferral method of accounting for contributions. Restricted contributions are recognized as revenue in the year in which the related expenses are incurred. Unrestricted contributions are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured. Endowment contributions are recognized as direct increases in net assets.

Restricted investment income is recognized as revenue in the year in which the related expenses are incurred. Unrestricted investment income is recognized as revenue when earned.

Raffle revenue is recognized as revenue when the terms of the related license restrictions have been met.

Donation and fundraising revenue is recognized as revenue when the revenue is received or receivable from the contributed party.

#### Government assistance

Government assistance is recognized when there is reasonable assurance that the conditions attached to the government assistance will be met and that assistance will be received. Government assistance is recognized as income over the periods necessary to match it with the related costs that it is intended to compensate. The wage subsidy benefits received from the Federal Government are recognized as revenue on the Statement of Operations.

For the year ended August 31, 2022

#### 2. Significant accounting policies (Continued from previous page)

#### Financial instruments

The Foundation recognizes its financial instruments when the Foundation becomes party to the contractual provisions of the financial instrument.

At initial recognition, the Foundation may irrevocably elect to subsequently measure any financial instrument at fair value.

The Foundation subsequently measures investments in equity instruments not quoted in an active market and derivatives that are linked to, and must be settled by delivery of, unquoted equity instruments of another entity, are subsequently measured at cost less impairment. With the exception of financial liabilities indexed to a measure of the Foundation's performance or value of its equity and those instruments designated at fair value, all other financial assets and liabilities are subsequently measured at amortized cost.

Transaction costs and financing fees directly attributable to the origination, acquisition, issuance or assumption of financial instruments subsequently measured at fair value are immediately recognized in the excess (deficiency) of revenue over expenses for the current period. Conversely, transaction costs and financing fees are added to the carrying amount for those financial instruments subsequently measured at cost or amortized cost.

#### Financial asset impairment

The Foundation assesses impairment of all of its financial assets measured at cost or amortized cost. The Foundation groups assets for impairment testing when there are indicators of impairment. When there is an indication of impairment, the Foundation determines whether it has resulted in a significant adverse change in the expected timing or amount of future cash flows during the year. If so, the Foundation reduces the carrying amount of any impaired financial assets to the highest of: the present value of cash flows expected to be generated by holding the assets; the amount that could be realized by selling the assets; and the amount expected to be realized by exercising any rights to collateral held against those assets. Any impairment, which is not considered temporary, is included in current year excess (deficiency) of revenue over expenses.

The Foundation reverses impairment losses on financial assets when there is a decrease in impairment and the decrease can be objectively related to an event occurring after the impairment loss was recognized.

#### Volunteer services

Volunteers contribute many hours per year to assist the Foundation in carrying out its service delivery activities. Because of the difficulty in determining their fair value, contributed services are not recognized in the financial statements.

#### Measurement uncertainty (use of estimates)

The preparation of financial statements in conformity with Canadian accounting standards for not-for-profit organizations requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenue and expenses during the reporting period.

Accounts receivable are stated after evaluation as to their collectability and an appropriate allowance for doubtful accounts is provided where considered necessary. Amortization is based on the estimated useful lives of capital assets.

By their nature, these judgments are subject to measurement uncertainty, and the effect on the financial statements of changes in such estimates and assumptions in future periods could be material. These estimates and assumptions are reviewed periodically and, as adjustments become necessary they are reported in excess (deficiency) of revenue over expenses in the periods in which they become known.

#### 3. Cash and cash equivalents

Included in cash and cash equivalents is a cashable guaranteed investment certificate ("GIC") for \$5,000, earning interest at an annual rate of 0.75% (2021 - nil), maturing August 27, 2023 (2021 - nil) and \$73,836 (2021 - \$nil) in accounts restricted by the terms of the AGLC Raffle licence.

For the year ended August 31, 2022

4.	Accounts receivable		
		2022	2021
	Accounts receivable	78,397	70,141
	Good and services tax receivable	2,438	<u> </u>
		80,835	70,141

#### 5. Short term investment

Short term investment consists of a guaranteed investment certificate ("GIC"), non-redeemable until maturity, earning interest at 0.70% per annum (2021 - .35%), maturing June 21, 2023 (2021 - June 21, 2022).

#### 6. Intangible assets

	Cost	Accumulated amortization	2022 Net book value	2021 Net book value
Website costs Work in progress	3,113 -	(2,594) -	519 -	1,557 12,363
Computer Software	17,400	(6,273)	11,127	
	20,513	(8,867)	11,646	13,920

Included in the computer software is the grant software system to keep track of the grants made to the schools within the Calgary Catholic School District. The project for the software system began in June 2021 and was completed October 2021. The cost is amortized over five years using the straight-line method.

#### 7. Accounts payable and accruals

	2022	2021
Accounts payable Employee benefits payable	18,135 1,512	21,538 1,484
	19,647	23,022

For the year ended August 31, 2022

#### 8. Deferred contributions

Deferred contributions consist of unspent contributions externally restricted for Raffle revenue allowed by the AGLC Raffle license and Bishop's Dinner restricted by the donors to be used for grants to schools for the Campus Calgary/Open Minds (R) program. Recognition of these amounts as revenue is deferred to periods when the specified expenditures are made. Changes in the deferred contribution balance are as follows:

	Beginning Balance	Amount received during the period	Less: Amount recognized as revenue during the period	2022	2021
Bishop's Dinner	75,032	-	(25,000)	50,032	75,032
Raffle revenue	-	166,232	(92,396)	73,836	-
Donor directed	1,000	-	(237)	763	1,000
Golf tournament revenue	1,813	4,886	(6,699)	-	1,813
	77,845	171,118	(124,332)	124,631	77,845

#### 9. Financial instruments

The Foundation, as part of its operations, carries a number of financial instruments. It is management's opinion that the Foundation is not exposed to significant interest rate, currency, credit, liquidity or other price risks arising from these financial instruments except as otherwise disclosed.

#### 10. Government grant

Included in the Government grant on the Statement of Operations is \$2,705 (2021 - \$28,112) received from the Federal Government for the Canada Emergency Wage Subsidy and Temporary Wage Subsidy amounts as provided by the Federal Government to offset salary costs incurred by Calgary Catholic Education Foundation.
