Through classroom and school grants, and with the support of generous donors and community partners, the CCEF provides programs, resources, and experiences that enrich student learning. By investing in these opportunities, the CCEF helps Calgary Catholic students grow, thrive, and build a strong foundation for the future.

About the Tournament

The CCEF 41st Annual District Golf Tournament brings together educators, staff, alumni, community members, and corporate partners in support of Catholic education. This event plays an important role in advancing initiatives that enhance learning opportunities for students. Proceeds from the tournament support the work of the CCEF and initiatives within Catholic schools across Calgary and the surrounding area.

Today, the Calgary Catholic School District (CCSD) serves more than 64,000 students across 120 schools and employs over 5,000 full-time staff. Recognized as one of Alberta's Top Employers 16 times since 2009, CCSD continues to demonstrate a strong commitment to excellence in education. The CCEF is the only registered charity in Calgary dedicated to supporting these schools and students by funding programs and opportunities that help every child reach their full potential.
