

CALGARY CATHOLIC EDUCATION FOUNDATION

STUDENT MEDIA CONSENT FORM

2026–2027 School Year

The Calgary Catholic Education Foundation (CCEF) supports enhanced learning opportunities for students in the Calgary Catholic School District through fundraising, grants and community partnerships.

From time to time, CCEF may photograph or video students participating in CCEF-supported programs, events, activities or initiatives. These images and recordings help us share the impact of our work, recognize the generosity of our supporters and promote the importance of Catholic education.

CCEF respects the privacy of students and families and seeks parent/guardian consent before using identifiable student photographs or video for CCEF promotional and communications purposes.

Consent

I consent for the **Calgary Catholic Education Foundation** to photograph and/or video my child and to use those images or recordings for CCEF communication and promotional purposes.

Images and recordings may appear in:

- CCEF videos and presentations
- CCEF website and social media channels
- CCEF newsletters, annual reports and promotional materials
- Fundraising and donor communications
- School, parish, community or CCEF displays
- Media or communications relating to CCEF-supported initiatives

CCEF will use student images respectfully and only for the purposes described in this consent.

Unless separate consent is obtained, CCEF will not intentionally publish a student's full name together with their photograph or video.

I understand that materials posted publicly, particularly online or through social media, may be viewed, shared or reproduced by others beyond CCEF's control.

Participation in photographs or videos is voluntary. Consent may be withdrawn for future use by contacting CCEF; however, CCEF may not be able to recall materials that have already been printed, published, distributed or publicly shared.

STUDENT INFORMATION

Student Name: _____

School: _____

PARENT / GUARDIAN CONSENT

☐ **YES**, I consent to my child being photographed and/or video recorded and to CCEF using those images or recordings as described above.
